AMEND Senate Bill No. 3680

House Bill No. 3684*

by deleting all language following the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 68, Chapter 215, is amended by adding Sections 2 and 3 as a new part thereto.

SECTION 2. Each truck stop, travel center or a diesel refueling station shall conduct soil and ground water testing and any adjacent surface water, within one (1) year from the effective date of this act and at least once every three (3) years thereafter, on its property and on adjacent areas downgradient from the underground storage tanks at the truck stop, travel center or diesel refueling station. The soil and water shall be tested by a qualified third party for environmental contamination due to the release of petroleum products. The results of such testing, including findings of an absence of contamination, shall be maintained on site for at least three (3) years and be available for inspection to state inspectors.

SECTION 3. This part shall only apply in any county having a population of over nine hundred thousand (900,000), according to the 2010 federal census or any subsequent federal census.

SECTION 4. This act shall take effect upon July 1, 2012, the public welfare requiring it.
